

TURNINGPOINT EXPANDS CORPORATE HEADQUARTERS  
IN ROCKVILLE, MARYLAND

Rockville, MD, October 2, 2006 – TurningPoint on Monday will mark the opening of its new corporate headquarters in Rockville, MD. TurningPoint's executive team and more than 30 employees will relocate to the new offices from their former base in Germantown, MD.

The new headquarters will facilitate the acquisition of additional resources to meet the requirements of new contracts with the Centers for Medicare and Medicaid Services, the Defense Logistics Agency, and the Department of Defense; and the expansion of current contracts with the U.S. Food and Drug Administration, NeuStar, and TIG Global.

TurningPoint Global Solutions is a forward-thinking professional services company that specializes in systems infrastructure, software development, and business process needs of government and commercial organizations.
